"Campaign Of Hate"

There's a campaign of hate
It's waiting at the school gates
Not for what I am aware
It must be what she wrote, what she writes
You swore and you swear

Do you remember why you came?
Not to play follow the leader
No no

Poor kids dressing like they're rich
(mods)
Rich kids dressing like they're poor
(Oh my God)
White kids talking like they're black
Well I tried it with Charlene
And I spent 3 days on my back
Ah she said maybe I like the cut of your J.I.B.

I don't believe them when they say
That you don't get nothing for free
(It's all for free)
There's a campaign of hate
It's waiting at the school gates
There's a campaign of hate
