An ending fitting for the start
You twist and tore our love apart
Your light fingers threw the dart
Shattered the lamp into darkness it cast us...

No, you've got it the wrong way round
Just shut me up and blamed it on the brown
Cornered the boy kicked out at the world,
The world kicked back a lot fuckin' harder...

If you wanna try, If you wanna try
There's no worse you could do (oh oh oh)
I know you lie, I know you lie
I'm still in love with you (oh oh oh)

Can't take me anywhere (I'll take you anywhere)
You can't take me anywhere (I can't take you anywhere)
I'll take you anywhere you wanna go!

Oh, you can't stand me now (No, you can't stand me now)
You can't stand me now (Oh, you can't stand me now)
You can't stand me now (No, you can't stand me now)
You can't stand me now,
You can't stand me now!

Have we enough to keep it together?
Or do we just keep on pretending
And hope our luck is never ending
You tried to pull the wool, I wasn't feeling too clever
And you take all that they're lending
Until you needed mending...

If you wanna try, If you wanna try
there's no worse you could do (oh oh oh)
I know you lie, all you do is make me cry
And all these words they aint true (oh oh)

I can't take me anywhere (I can't take you anywhere)
You can't take me anywhere (I'll take you anywhere)
I'll take you anywhere you wanna go!

Oh, you can't stand me now (No, you can't stand me now)
You can't stand me now (Oh, you can't stand me now)
You can't stand me now (No, you can't stand me now)
You can't stand me now (No, you can't stand me now)
You can't stand me now!
You can't stand me now!
You can't stand me now!
No, you can't stand me now!
You can't stand me now!
You can't stand me now!
No, you can't stand me now!
