Ye-ah!

Pete;

Don't look back into the sun

*Now you know that the time is come

And they said that it would never come for you

Carl;

Oh my friend you haven't changed

Looking rough and living strange

And I know you've got a taste for it too

Both;

They will never forgive you but they won't let you go

(LET ME GO!)

No she'll never forgive you but she won't let you go, oh

no

Carl;

Don't look back into the sun

You cast your cards but you're on the run

And all the lives said hurt, did you say

Carl;

When they played that song at the death disco

It started fast but it ends so slow

And all the time it reminded me of you

Both;

Ah they will never forgive you but they wont let you go

(LET ME GO!)

She'll never forgive you but she wont let you go, oh no

Ah they will never forgive you but they wont let you go

(LET ME GO!)

She'll never forgive you but she wont let you go, oh no
