Professionally trendy in the glow of Clapham sun
There's life after work and it can be such fun
You see all the models in magazines and on the walls
You wanna be just like them
Cause they're so cool

They're just narcissists
Well wouldn't it be nice to be Dorian Gray?
Just for a day
They're just narcissists
Oh, what's so great to be Dorian Gray?
Every day
We're living in a looking glass
As the beauty of life goes by
You're going to be so old
You're going to grow so old
Your skin so cold
Well they're just narcissists
Well wouldn't it be nice to be Dorian Gray?
Just for a day
Such narcissists
What's so great to be Dorian Gray?
Every day

They're just narcissists
Wouldn't it be great to be Dorian Gray?
Just for a day
Just for a day
