Please don't get me wrong  
See I forgive you in a song  
We'll call The Likely Lads  
But if it's left to you  
I know exactly what you'd do  
With all the dreams we had  
Just blood runs thicker, oh  
We're thick as thieves, you know  
If that's important to you  
It's important to me  
I tried to make you see  
But you don't want to know!

If you pipe all summer long  
Then get forgiven in a song  
Well that's a touch, my lad  
They sold the rights to all the wrongs  
And when they knew you'd give me songs  
Welcome back, I said

The blood runs thicker, oh  
We're thick as thieves, you know  
If it's important to you  
It's important to me  
I tried to make you see  
But you don't want to know

Oh what became of the likely lads?  
What became of the dreams we had?

What became of forever?

Oh what became of forever  
Though, we'll never know

Please don't get me wrong  
See I forgive you in a song  
We call The Likely Lads  
We all bought the ones  
We taught 'em all we wrote the songs  
That's filled with dreams we have

But blood runs thicker oh  
We're thick as thieves, you know  
If it's important to you  
It's important to me  
I tried to make you see  
But you don't want to know

Oh what became of the likely lads  
What became of the dreams we had?  
What became of forever?  
What became of forever?  
We'll never know
