Any day, you'll be gone, oh yeah
Any day, you'll be gone

Any day now
I will hear you say goodbye my love
Then you'll be on your way
Then my wild beautiful bird, you will have flown
Any day now, I'll be alone
I know that, hey, I know that

Any day now
When the clock strikes go, you'll call it off
And then my tears will flow
Then the blue shadows will fall all over town
Any day now, love will let me down
Cuz you won't be around
No baby now, yeah

I know I shouldn't wanna keep you
If you don't wanna stay
Until you're gone forever
I'll be holding on for dear life
Holding you this way
And I'm begging you to stay

Any day now
When your restless eyes meet someone new
And to my sad surprise
Then the blue shadows will fall all over town
Any day now, I won't last for long
Cuz any day, you'll be gone
Then any day, you'll be gone
I know, I know that

You'll be gone, you'll be gone, you'll be gone
Yeah, mercy, any day now
Any day, you'll be gone
Mercy, yeah
Any day, you'll be gone
