Yeah yeah
Here it is

She caught me by suprired I must say
Cause I never had seen such a pretty face
With such a warm and beatiful smile
It wasn't hard for me to notice her style
I was fasinated surly
She took my heart and held it for me
I wouldn't let her get away
Not until she heard me say

Excuse me miss (YEHHH)
But whats your name?
Where are you from and can I come?
And possibly can i take you out tonight?
To a movie ,to the park (YEHHH)
I'll have you home before it's dark (WHOOOO)
So let me know,can I take you out tonight?

Don't care if i get rejected
At least then I won't regret it
Regret the fact i missed the chance for romance
At least I'll walk away knowing
I tried my best and i'm going
I'm going on with my day
Cause at least she heard me say

Excuse me miss
But whats your name?
Where are you from and can I come? (CAN YOU!)
And possibly can I take you out tonight?
To a movie, to the park (YEHHHH)
I'll have you home befroe it's dark (WHOOOO)
So let me know, can i take you out tonight?

Excuse me miss
But whats your name?
(I want to know you, I think I can show you good love)
Where are you from and can I come? (CAN YOU!)
And possibly can I take you out tonight?

To a movie, to the park (YEHHHH)
I'll have you home before it's dark (WHOOOO)
So let me know, can i take you out tonight?

Huh, that's why i had to come over
And introduce myself to you
Cause you never going to know where you're gonna
find love
And hopefully I found it in you, yeah

Excuse me miss
But what's your name ?
Where are you from and can I come?
And possibly can I take you out tonight?
To a movie, to the park
I'll have you home before it's dark

Excuse me miss
But what's your name?
Where are you from and can I come?
And possibly can I take you out tonight?
To a movie, to the park
I'll have you home before it's dark
So let me know, can i take you out tonight?

Let me make your house a home baby

Excuse me miss
But what's your name?
Where are you from and can I come? (CAN YOU)
And possibly can I take you out tonight?
To a movie, to the park (YEHHHH)
I'll have you home before it's dark (WHOOOO)
So let me know, can i take you out tonight
