TITLE: THERE'S NOTHING BETTER THAN LOVE

ARTIST: LUTHER VANDROSS (DUET WITH GREGORY HINES)

WRITTEN BY:

I fell asleep last night

And I dreamed the night and almost half the day away

I just got up so that I can hear her say

She's still in love and no one can take here love away

Ooo love wakes me up everyday

And I thought no one would ever make me feel this way

It feels me up everytime I hear her say

She's still in love and no one will take her love away

I wanna be love

(CHORUS)

There's nothing better than love

What in the world could you ever be thinking of

It's better by far

So let yourself reach for that star

And go no matter how far

To the one you love

To love

And I mean all these words I said

And you don't have to guess what's going on inside me  
head

Just try to know

All the things that our heart says

Listen to love and always get love to lead the way

Whenever you love

(REPEAT CHORUS)

(BRIDGE)

You know for love I'd go anywhere

I would go there

For love to the end of nowhere

And for your love

(And for your love)

I would, I would

I would love

To just spend all my time

With a girl who makes me feel her love is mine

Someone you see

Who would only dream of me

And she be in love just because she wanna be

She wanna be loved

(REPEAT CHORUS TO FADE)
