Ohhhhhh-! We're back!

Come on, baby  
Let's do the Twist  
Come on, baby  
Let's do the Twist  
Take me by my little hand  
And go like this  
(Da, da, da, da, da, da, da, da, da-da-da-da-da)

The party was packed, talking back to back  
There was a rapper that was rapping, to a beat that's  
whack  
He was going through the motions out on the dance  
floor  
But when the rapper was done, they wasn't yelling  
"Hardcore!"  
People were tired of the same old groove  
They wanted something with depth, something new  
and improved  
Something easy to do, but hard to resist  
I've got something for y'all  
What do you call it? "The Twist"!

Come on baby  
Let's do the Twist  
Chubby Checker and the Valley Boys  
Were doing the Twist  
Take us by our little hands  
And go like this

Do the Twist, the Twist  
Japan, do the Twist, the Twist  
France, do the Twist, the Twist  
Holland, do the Twist, the Twist  
Germany...  
Do the Twist!
