"Cold Last Supper"

Open casket funeral
A catholic tribulation
A cold last supper
Well, it's only up to you

Dreary dead disciples
A prostitute Eve
A dirty shroud in Turin
Well, it's only up to you

For the rise of the fallen angel
Sing halleluja
The snakebite in garden of Eden
Sing halleluja
The last of the four horsemen
Sing halleluja
For the raging hate of Cain
Sing halleluja

A son of virgin birth
Saints with bleeding hands
Resurrected corpses
Well, it's only up to you

Three wise-ass men
Useless counting of lambs
A paradox called orthodox
Well, it's only up to you

For the rise of the fallen angel
Sing halleluja
The snakebite in garden of Eden
Sing halleluja
The last of the four horsemen
Sing halleluja
For the raging hate of Cain
Sing halleluja
