When two hearts race
They both win
They both win
Baby they both win
When two hearts race
They both win
They both win
Baby they both win

I was lost in the wild
Stuck in the middle of forests
And you guided me home
I thought that I was dying
You reached out and lifted
This bag of rattling bones

When two hearts race
They both win
They both win
Baby they both win
When two hearts race
They both win
They both win
Baby they both win

I was lost in the wild
Stuck in the middle of forests
And you guided me home
I thought that I was dying
You reached out and lifted
This bag of rattling bones

Deaf and dumb
Blind and numb
Watch as you go

Cool and calm
Carry on
How can you go

I was lost in the wild

Stuck in the middle of forests
And you guided me home
I thought that I was dying
You reached out and lifted
This bag of rattling bones
