"Days Of Reaction"

These are the lazy, crazy days of reaction.
These are the lazy, crazy days of reaction.

Pretty girl with the long black hair™s been looking
for a time.
She only digs what™s laying along the line.

And the music man with the outdoor jam trying to make
it rhyme “
he only needs to play it all the time.

And Be Good Johnny cops the words with just a twist of
lime.
He only cups the clear when all is fine.

And the lovely lady by his side say, “Let™s go for
a ride.”
And everyone is here right on time.

Well, would you care to see him in the morning
After everything went so fine?
Let™s do another song for my baby.

These are the lazy, crazy days of reaction.
These are the lazy, crazy days of reaction.

Pretty girl in a Dylan whirl, she digs her sugar sweet.
She only plans to lay it on the line.

While the music man, his head in then, say,
“I™m gonna make her mine.”
He cannot pry that woman from his eye.

And Johnny grip the melody like freshman cherry wine.
He only tries to say it all the time.

And the lovely lady, by his side, say,
“Everything™s alright.”
Let™s come back again tomorrow night.

Well, would you care to see him in the morning

After everything went so fine?
Let's do another song for my baby.

These are the lazy, crazy days of reaction.
Yeah, the lazy, crazy days of reaction.
