How could she be  
with a wretch like me  
I'm a broken shell of man that never was  
Ill trade all that we've made  
just for one more date  
with destruction

I'm not being fair to you  
I'm lying to myself  
It hurts to see her face  
Sitting on my shelf  
Beside the others

You're the cutest thing  
I've seen  
You're all a man could need  
but I'm lifeless

I need to tell you now  
I just cant let her go  
Cause I'm selfish  
So selfish

I'm not being fair to you  
I'm lying to myself  
It hurts to see her face  
Sitting on my shelf  
Beside the others  
If i could tell you one thing  
I think that you should know  
Im not afraid to love you  
Just of letting go

If love and comfort  
are the same thing  
Then why cant i ever find my way out  
I want to say were strong  
we can carry on  
But I'm dragging you down  
Yeah I'm bringing you down  
I'm dragging you down

I'm not being fair to you  
I'm lying to myself  
It hurts to see her face  
Sitting on my shelf  
Beside the others

If I could tell you one thing  
I think that you should know  
I'm not afraid to love you  
Just of letting go
