don't act surprised, you could see she was running with
a warped sense of pleasure by the lie in her eyes
she wore a promise in the shape of a ring that meant
nothing, her sick disguise

just let her go, let her go
just tell her no, tell her no
let her go (just let her go)
let her go
cause she's not worth it!

i know that you're not her first
i have seen her at her worst
you can have the upper-hand
I have been the other man
So take the time to realize
She's the queen of good-byes-byes-byes-b-b-byes

she'll steal your soul with her grin and a purse full of
make-up, she'll have her way
dressed to kill, she fixes her sights on a stranger, and
he'll be her prey

just let her go, let her go
just tell her no, tell her no
let her go (just let her)
let her go
cause she's not worth it!
i know that you're not her first
i have seen her at her worst
you can have the upper-hand
I have been the other man
So take the time to realize
She's the queen of good-byes-b-b-byes
Good-byes

She wore a promise in the shape of a ring that meant
nothing.

let her go (just let her)
let her go
let her go (let her go!)

i know that you're not her first
i have seen her at her worst
you can have the upper-hand
I have been the other man
So take the time to realize
She's the queen of good-byes-b-b-byes
Goodbyes
