Everything I felt was true ended in a lie.
After all the time we spent, it's hard to say goodbye.

Is it not enough to be fully content with me?
Are you really as cold as you seem?

Lay beside the moonlit ocean, and gaze up to the sky.
Then I cry up through the blackness, waiting for a reply.
It's been way too long since I saw you, I wonder why I
still try.
But tomorrow is a new day, and the sun still will rise.

Lookin' back at memories, can't help but reminisce
You broke my heart in two, each and every kiss.

Is it not enough to be fully content with me?
Are you really as cold as you seem?

Lay beside the moonlit ocean, and gaze up to the sky.
Then I cry up through the blackness, waiting for a reply.
It's been way too long since I saw you, I wonder why I
still try.
But tomorrow is a new day, and the sun still will rise.

Lay beside the moonlit ocean, and gaze up to the sky.
Then I cry up through the blackness, waiting for a reply.
It's been way too long since I saw you, I wonder why I
still try.
But tomorrow is a new day. And the sun still wil rise.
