As we're driving through the evergreens  
The darkest hours hold the brightest dreams  
With the touch of your hand, as we glide in the rain  
Is the closest you've come  
Cause it's the farthest I've been  
Yeah it's the farthest I've been  
No  
I can't lead you on  
Wait  
The truth is come  
And don't you waist your time on me  
The time is wrong  
So take a second look  
And I will be gone  
Gone  
Oooon  
On  
With impure motives and lustful grin  
I'll steal your heart again  
Embrace the truth  
You gently whisper my name  
As if it was something more  
You should think again  
Before you open that door  
Don't you open that door  
No  
I can't lead you on  
Wait  
The truth will come  
Now don't you waist your time on me  
The time is wrong  
So take a second look  
I will be gone  
I'll think what you believe  
Then I'll move on  
So make your self aware  
This won't last long  
Lone  
Oooon  
On  
Don't you waste your time on me  
The time is wrong

Don't you waste your time on me  
The time is wrong  
Don't you waste your time n me  
The time is wrong  
Don't you waste your time on me  
The time is wrong  
No don't you waste your time on me  
The time is wrong  
No, I won't lead you on  
Wait, your temptation is gone
