As we're driving through the evergreens,
The darkest hours hold the brightest dreams.
With the touch of your hand,
as we glide in the rain,
is the closest you've come,
cause it's the farthest I've been.
Yeah it's the farthest I've been.

NO!
I can't lead you on
WAIT!
The truth has come out,
don't you waist your time on me,
the time is wrong.
So take a second look,
I will be gone, gone.

With impure motives and a lustful grin
I'll steal your heart again,
embrace the truth.
You gently whisper my name,
as if I was something more.
You should think again,
before you open the door.
Don't you open that door.

NO!
I can't lead you on
WAIT!
The truth has come out,
don't you waist your time on me,
the time is wrong.
So take a second look,
I will be gone, gone.

I'll fake what you believe ,
then I'll move on.
So make your self aware,
this won't last long.

Don't you waist your time on me
The time is wrong.

Don't you waist your time on me
The time is wrong.
Don't you waist your time on me
The time is wrong.
Don't you waist your time on me
The time is wrong.
Don't you waist your time on me
The time is wrong.
No don't you waist...

NO!
I won't lead you on.
WAIT!
Your temtation is gone
