Whoa, the love I miss lovin', all the kiss I miss kissin'
Whoa, the love I miss lovin', all the kiss I miss kissin';
Before I met you baby, I didn't know what I was missin'

Whoa, the love pretty baby I have in store for you
Whoa, the love pretty baby I have in store for you
The way I love you baby, I know you'll love me too

Oh whoa whoa baby, yes I love you baby
Oh whoa yeah, you know I love you little darlin'
Yes I love you little lamb, so glad you're mine

Whoa wo wo wo wo wo yeah, yeah. yeah, yeah
Oh whoa yeah
You know I love you little baby
Yes I love you little baby, so glad you're mine

Whoa, the love I miss lovin', all the kiss I miss kissin'
Whoa, the love I miss lovin', all the kiss I miss kissin';
The way I love you baby, I didn't know what I was missin'

Whoa, the love pretty baby I have in store for you
Whoa, the love pretty baby I have in store for you
The way I love you darlin', I know you'll love me too

Whoa wo wo baby, yes I love you baby
Oh whoa yeah, you know I love you little lamb
Yes I love you baby, so glad you're mine
