Close To You

by Willie Dixon

performed by Stevie Ray Vaughan

I wanna be close to you baby as I can get

Close to you baby as water is wet

Close to you baby as hair on your head

Close to you babe you better believe what I said

I wanna be close to you baby

Yeah let me be close to you

I want to be close to you darlin till you

don't know what to say or do

I wanna be close to you baby as white is to rice

Close to you baby as cold is to ice

Close to you baby as fire is to smoke

Close to you baby as a pig is to poke

I wanna be close to you baby

Yeah let me be close to you

I want to be close to you darlin till you

don't know what to say or do

Closer and closer baby

Closer and closer baby

Closer and closer baby

Closer and closer baby

I want to be close to you darlin till you

don't know what to say or do

[guitar solo]

I wanna be close to you baby as the whites of your eyes

Close to you baby as cold is to ice

Close to you baby as a egg is to a hen

Close to you baby as Siamese twins

I wanna be close to you baby

Yeah let me be close to you

I want to be close to you darlin till you

don't know what to say or do
