Cold Shot

performed by Stevie Ray Vaughan

Once was a sweet thing, baby

Held that love in our hands

But now I reach to kiss your lips

It just don't mean a thing

And that's a cold shot, baby

Yeah that's a drag

A cold shot, babe

I've let our love go bad

Remember the way that you loved me

Do anything I say

Now I see you out somewhere

You won't give me the time of day

And that's a cold shot, girl

Yeah that's a drag

That's a cold shot, babe

We've let our love go bad

[Guitar Solo]

(Breaks)

I really meant I was sorry

For ever causing you pain  
You showed your appreciation  
By walking out anyway  
And that's a cold shot, baby  
Yeah that's a drag  
That's a cold shot, babe  
We've let our love go bad  
So sad...  
Too bad...  
So sad...  
(spoken) Don't let our true love run cold
