CROSSFIRE

By Stevie Ray Vaughan

Day by day, night after night

Blinded by the neon light

Hurry here, hustling there

No one's got the time to spare

Money's tight, nothing free

Won't somebody come and rescue me

I am stranded, caught in the crossfire

Stranded, caught in the crossfire

Tooth for tooth, eye for an eye

Sell your soul just to bop on by

Beggin' for a dollar, stealin' a dime

Come on can't you see that I'm

Stranded, caught in the crossfire

I am stranded, caught in the crossfire

I need some, kind of kindness

Some kind of sympathy, oh no

(Lead)

Save the strong, lose the weak

Never turning the other cheek

Trust nobody, don't be no fool

Whatever happened to the golden rule

We got stranded, caught in the crossfire

We got stranded, caught in the crossfire

We got stranded, caught in the crossfire

We got stranded, caught in the crossfire

Help me
