Well I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I'm lookin' at you

Well I'm dreamin' all the sweet dreams and the
memories of the past
Feel so fine honey, thats why our love should last
Feel so good baby, and it's all because of you
I've gotta love ya, I need to love ya, I want to love ya so
nice
We're havin' all the time to ourselves
Yeah, we're havin' all the fun to ourselves

Lord I'm pickin' up the pieces off the shelf
Won't take long baby, 'cause there's hardly any left
Feel so good baby, but it's all because of you

I've gotta love ya, I need to love ya, I want to love ya so
nice
I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I'm lookin' at you

Well I'm dreamin' all the sweet dreams and the
memories of the past
Feel so fine honey, thats why our love should last
Feel so good darlin' and it's all because of you
I've gotta love ya, I need to love ya, I want to love ya so
nice

I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I'm lookin' at you
