They were two lonely folks  
Doin' the do's and dont's  
And got the notion  
Together they'd be happy  
Thought they'd lose the crowd  
'N' do the mess around  
Decided to make it snappy  
Just a twist of fate  
They didn't hesitate  
Now they had another party to  
Lean on  
She made him jump and sang  
He made her share that thang  
Looks like they gonna have a ball  
Ain't nothin' wrong at all  
Wo they gonna have a ball

They got to askin' what if  
They had to scratch-n-sniff  
to find out what it they are after  
got the ants out their pants  
'n' took the chance on romance  
made some plans to make it forever  
now several years have gone  
they still gettin' along  
they know what true love is  
made of  
now they know that life's a trip  
with all its bumps and dips  
they gonna help one another along  
nothin' wrong at all  
still havin' a ball  
lord they really gettin' it on

time is on their side  
they got nothin' to hide  
never had no secrets between  
them  
he don't need to accuse her  
use her or abuse her  
and she feel the same way for him

and those vows they made  
said nothin' 'bout slaves  
and didn't mention rentin'  
to own  
they can take the stand  
that walkin' hand in hand  
what they got is gooder  
than gold  
ain't nothin' wrong at all  
wo they gonna have a ball  
yeah they really got it all

love is true heart's desire  
without it's just a funeral pyre  
got to let your true love grow  
it's all you got that's gooder  
than gold  
let's get it on y'all
