Caught up in a whirlwind can't catch my breath
Knee deep in hot water broke out in a cold sweat
Can't catch a turtle in this rat race
Feels like I'm losin' time at breakneck pace
Afraid of my own shadow in the face of grace
Heart full of darkness spotlight on my face
There was love all around me but I was lookin' for
revenge
Thank God it never found me would have been the end
(CHORUS):
(I was) walkin' the tightrope steppin' on my friends
Walkin' the tightrope (it) was a shame and a sin
Walkin' the tightrope between wrong and right
Walkin' the tightrope both day and night
Lookin' back in front of me in the mirror's a grin
Through the eyes of love I see I'm really lookin' at a
friend
We've all had our problems that's the way life is
My heart goes out to other who are there to make
amends
(CHORUS)
We've been walkin' the tightrop tryin' to make it right

Walkin' the tightrope every day and every night

Walkin' the tightrope bring it all around

Walkin' the tightrope from the lost and found

Walkin' the tightrope stretched around the world

Walkin' the tightrope save the boys and girls

Walkin' the tightrope let's make it right

Walkin' the tightrope do it do it tonight

Walkin' the tightrope
