I know you know. Despite your reservations,
Out of everything in this world I choose you.
It goes to show, despite our conversations,
Back when you were just a little girl,
We had no clue just what we were getting ourselves
into.
We were merely trying something new.
Dissolve myself in you, 'cause I'm not gonna, not
gonna give you up.
No, I'm not gonna, not gonna give you up.
Cancel myself to feel you, 'cause I'm not gonna, not
gonna give you up.
No, I'm not gonna, not gonna give you up.
I know you know. Despite the implications, we were out
of character.
I always knew just what we were getting ourselves into.
We were merely trying something new.
Dissolve myself in you, 'cause I'm not gonna, not
gonna give you up.
No, I'm not gonna, not gonna give you up.
Cancel myself to feel you, 'cause I'm not gonna, not
gonna give you up.
No, I'm not gonna, not gonna give you up.
When we used to lay ourselves out on the front lawn of
their ivory towers,
We would show our bodies to the world.
Then we would go home and work on a castle of our
own.
You were impatient, I was a fall back.
A dirty mistake, you never called back.
You were salvation,
I never told you...
You were impatient, I was a fall back.
A dirty mistake, you never called back.
You were salvation,
I never told you I always had a notion I would fall in love
with you.
You were a call girl, I was your gentleman --
A faint illusion of your simple plan.
I was salvation.
You never told me you always had the notion that you

knew what we could be.
You were impatient, I was a fall back.
A dirty mistake, you never called back.
You were salvation,
I never told you I always had a notion I would fall in love
with you.
You were a call girl, I was your gentleman --
A faint illusion of your simple plan.
I was salvation.
You never told me you always had the notion that you
knew what we could be.
