Alice isn't it frightening?
Alice aren't you scared?
Alice isn't it wonderful
Living life afraid?

Don't look around the corner
I might be lurking there
Under the bed at night
You're up till dawn again

Alison Hell, your mind begins to fold
Alison Hell, aren't you growing cold?
Alison Hell, you are looking blue
Alison Hell, what else can you do?

I begin my rule
Life hideous in your mind
Crying out you've lost your doll
It isn't worth a dime

Alison Hell, your mind begins to fold
Alison Hell, aren't you growing cold?
Alison Hell, what are you looking for?
Alison Hell, soon I close the door

Sitting in the corner
You are naked and alone
No one listens to your fears
You've created me

Alice isn't it frightening?
Alice aren't you scared?
I was killed at birth, I shoot this final scene
You're in the basement, you're trapped insanity

Alison Hell, what were you looking for?
Alison Hell, as I close the door
Alison Hell, here you shall dwell
Alison Hell, Alice dwells in hell

Alice, Alison
Alice in hell

Goodbye
