You take the time to cut me down
You're a fool, you're the talk of the town
So jealous, can't you see it's your own insecurity?

Your life is a mess
Slightly obsessed
Are you a paranoid schizo?
What a fiasco

Yeah, looking for scandal, you're under the gun
'Cause I'm having so much fun
They say you're missing a screw
This laugh is just for you, ha

Your life is a mess
Slightly obsessed
Are you a paranoid schizo?
What a fiasco

I don't hold any grudges
I'm such a nice guy
Forgive and forget or better yet
Goodbye

Yeah, your life is a mess
Slightly obsessed
Are you a paranoid schizo?
What a fiasco

Your life is a mess
Slightly obsessed
Are you a paranoid schizo?
What a fiasco

Your life is a mess
Slightly obsessed
Are you a paranoid schizo?
What a fiasco

Your life is a mess
Slightly obsessed
Are you a paranoid schizo?

What a fiasco
