I'm on top of the world and I will never fall  
I can and will deceive you and trick you all  
Manipulation, well, I ruin just for fun  
There's no time for hesitation, it's time, time to get the  
job done

Well, I get just what I want because I rule the land  
Well, I am invincible, you better understand

Magic man, magic man  
You can't stop the magic man  
Magic man, magic man  
You'll never catch the magic man

[Incomprehensible]

I steal from the innocent by throwing dust in their eyes  
So many stupid people, eating up my lies

Well, I get just what I want because I rule the land  
Well, I am invincible, you better understand

Magic man, magic man  
You can't stop the magic man  
Magic man, magic man  
You'll never catch the magic man, no

[Incomprehensible]

The walls of the castle come a crumbling down  
Well, I thought you were the king of the world  
Just a selfish, sickening maniac  
So long, say good-bye to the world, say good-bye to  
the world

You're gonna get what you deserve

Well, I get just what I want because I rule the land  
Well, I am invincible, you better understand

Magic man, magic man  
You can always stop the magic man

Magic man, magic man  
You can always catch the magic man

Come on, catch me
