Good evening and welcome to a test of the minds  
This match begins as our thoughts begin to grind  
I send a pawn towards you, a subtle piece of my attack  
Pondering the first move  
I guess, you'll never know unless you try it

Knight jumps queen, if you know what I mean  
Anticipation of the final scene  
Knight jumps queen, so get prepared  
For this check mate has been happily declared  
As the knight jumps the queen  
(Queen)

You have made selections, a white castle crumbles at  
your feet  
To counter the men in black, your moves must all be  
elite  
A bishop takes a rook and this cuts him down to size  
This is no tailor-made situation  
I guess I have some real competition for once

Knight jumps queen, if you know what I mean  
Anticipation of the final scene  
Knight jumps queen, so get prepared  
For this check mate has been happily declared  
As the knight jumps the queen  
(Queen)

Hours, hours to a stalemate, this game has come to a  
close  
Could it end without a climax, between two exhausted  
foes  
Night time's falling on the castle, it's bringing in  
another day  
The concentration was impossible  
I never had a doubt, I wouldn't win it from you

Knight jumps queen, if you know what I mean  
Anticipation of the final scene  
Knight jumps queen, so get prepared  
For this check mate has been happily declared  
As the knight jumps the queen

(Queen)

As the knight jumps the queen

(Queen)

As the knight jumps the queen

(Queen)

As the knight jumps the queen

(Queen)

As the knight jumps the queen

(Queen)

As the knight jumps the queen

(Queen)
