Have you heard the story?
Have you heard the news?
They say he's coming
You better choose

Visual horror
On the TV screen
Nothing but madness
Ever seen

I am the beast, evil I will install
I shall ignite the fire, burn you all
Enter my blackened kingdom
You'll serve me well
Turn it up, maximum Satan
Straight to hell

Politicians stealing
Disappearing kids
Crimes and blackmail
For the winning bids

Crimes of passion
And crimes of hate
Buy the new drug
Before it's too late

I am the beast, evil I will install
I shall ignite the fire, burn you all
Enter my blackened kingdom
You'll serve me well
Turn it up, maximum Satan
Straight to hell

How can you believe this?
The world is like TV
I'm the supplier
With only negativity

I am not real
I'm just imagination
I bleed on the mirror

Of human devastation

One by one, I'll take you down
One by one, I'll take you down
One by one, I'll take you down
One by one, I'll take you down

Natural disaster
You better fear
The end is coming
The end is here

I am the beast, evil I will install
I shall ignite the fire, burn you all
Enter my blackened kingdom
You'll serve me well
Turn it up, maximum Satan
Straight to hell
