There are those amongst us ignorant  
Who think that they are not only superior to other races  
But are the carriers of a superior morality and culture  
These groups are generally composed of discontented  
people  
Who target others with racist propaganda and acts of  
violence

We are the children, we are the ones  
On a mission of God  
We are the soldiers, we'll dominate  
You'll beg like a dog

Mother and father, follow the leader  
He shall redeem  
Take down minority, wipe out the weak  
White is supreme

Making you suffer, making you feel  
Disgrace  
Shame on your color, shame on your creed  
And your race

Prey on the anger, prey on the fear  
Everything is justified  
Bred to hate, we must never forget  
The goal is genocide

Go

Sick, fucking racist  
You were born to be deceived  
Command of all your thoughts  
Has got to be relieved

Violence, greed, bigotry  
Your messages are all insane  
Society wonders what goes on  
Inside your brain

[Incomprehensible]

Prey on the anger  
Everything is justified  
Bred to hate  
Their goal is genocide

Never forget  
No  
Never forget  
No  
Never forget  
No, no  
Never forget
