"No Love"

You nail yourself like Jesus
Posing on a cross
You're waiting for the Savior
You're waiting to get off

I seen you in the movies
I've passed you on the street
I saw you walk on water
Or was that make-believe

There is no love anymore
There is no love anymore

I am hanging helpless
Here in front of you
A broken toy, a puppet
That no one wants to use

I try to wake you slowly
You push me to the ground
I try to take you slowly
Loathe the final round

There is no love anymore
There is no love anymore

I throw myself at the sky
And fall back to the ground
I throw myself off the earth
And you don't hear a sound

Trapped in rage
But you won't listen
Bursting veins
But you won't listen, yeah

There is no love anymore
There is no love anymore
There is no love anymore
There is no love anymore

There is no love

There is no love
There is no love
There is no love
