I'm feeling anger, I feel rage
You see it coming from a mile away
Built up inside, I lose control
My blood boils, I can't take it anymore

Do what I want, do what I say
It's you that makes me act this way
You are my reason to unload
And I am ready to explode

Someone tell me why I'm feeling
Like I want to give a beating

Rage absolute, I got rage
Rage absolute, I got rage

This fury, it starts to build
An eruption set to blow
The explosion and the aftermath
Never happened, you know

So irritating and so frustrating
I hate everything that you do
But you can't leave me, you can't deceive me
Or I'll grow in you

Someone tell me why I'm feeling
Like I want to give a beating

Rage absolute, I got rage
Rage absolute, I got rage

Rage absolute, I got rage
Rage absolute, I got rage

It's in my blood is what you say
They're all like me
Perfectly acceptable
To rage in the family

It's in my blood is what you say
They're all like me

Perfectly acceptable
To rage in the family
Go

You keep my secret until you die
They won't believe you, I will deny
So run away and tell someone
'Cause I will finish you and you'll be done

You made me do it, you brought me to it
That's all I've got to say
Forget about it, it's all your fault
And wipe those tears away

Someone tell me why I'm feeling
Like I want to give a beating

Rage absolute, I got rage
Rage absolute, I got rage

Rage absolute, I got rage
Rage absolute, I got rage
