No control tonight  
The lights are going dim  
The floor begins to tilt  
It's blurring to a spin

Just let me find my keys  
Look down below  
Fresh air is all I need  
Then I'll go

Leading up the road to ruin  
You're full of alcoholic speed  
Leading up the road to ruin  
No last chance, don't bother to plead

High, over the limit  
Got to take it slow  
Concentrate  
Kill the radio

It's not the first time  
It'll be the last  
I've said that before  
In the past

Leading up the road to ruin  
You're full of alcoholic speed  
Leading up the road to ruin  
No last chance, don't bother to plead

Speed  
I've got to make it home

Not too far to go  
You're getting near  
Just down the block  
There's nothing left to fear

Carefree, on top of the world  
Feeling power  
Impaired security  
At ninety miles an hour

Leading up the road to ruin  
You're full of alcoholic speed  
Leading up the road to ruin  
No last chance, don't bother to plead
