I've heard a lot about you
Yeah, I've heard all about your disease
Well, they say you're an animal
With a rabid desire to please

I'm on the hunt, you're on the prowl
Do you wanna do the time?
Come on, we got nothing to lose
Let's commit the crime

I want your flesh
Sexecution, flesh
I want your flesh
Sexecution

So the feeling is mutual
The hunger's gonna turn into a feast
Got to cool the fire, control desire
It's time to unleash the beast

I wanna sex you up, sex you down
I wanna do it all over and all around
Russian roulette at a hundred degrees
Don't wanna die but you sure can please

I want your flesh
I want your flesh
Sexecution, flesh
I want your flesh
Sexecution, flesh

I want your flesh
Sexecution, flesh
I want your flesh
Sexecution

Sexecution, sexecution, sexecution
Sexecution, sexecution, sexecution
Sexecution, sexecution, sexecution
Sexecution, sexecution, sexecution
Sexecution

Now that it's over
The temperature falls
Reality begins to rise
What have I done, under the gun?
Never should've rolled the dice

How do you feel, Miss Sex Appeal?
Have you played this game before?
A nail in the coffin, a bullet to the head
Take the chance and wind up dead

I want your flesh
Sexecution, flesh
I want your flesh
Sexecution

I want your flesh
Sexecution, flesh
I want your flesh
Sexecution
