I kill for god and I kill for power
For propaganda, the news hour
You know my cause, so don't turn your back
You see my anger, fear my attack

Assassinate
Assassinate

Kidnap and murder, I will terrify
The death of an innocent, I will justify
Target, you are now in my sight
You'll never know what hit you, you're blown by
dynamite
Dynamite

I'm gonna cut you down
Cut you down

I'm gonna overthrow you, burn to the ground
Hijack or with a bomb, I'm gonna shoot you down
Arson, ransom, I got a gun to your head
You do what I want or bang bang you're dead, dead

You're dead

Assassinate

I kill for god and I kill for power
For propaganda, the news hour
You know my cause, so don't turn your back
You see my anger, fear my attack

Give it a fear in attack

I'm gonna cut you down
Cut you down
