I am a box, I am a screen
I'm every nightmare, I'm every dream
I am the window over your land
So turn me on, come take my hand, yeah

Don't push me
Don't push me
Don't push me
Don't push

I offer you scandal, I offer wealth
Of gratuitous violence, hazardous to your health
I give the vision of what life should be
I choose your heroes, come follow me, follow me

Come follow me

Don't push me
Don't push me
Don't push me
Don't push

It's just a box, it's just a screen
It's only a nightmare, it's only a dream
We give the vision of how life should be
We choose our own heroes, come follow me, yeah

Don't push me
Don't push me
Don't push me
Don't push

Don't push me
Don't push me
Don't push me
Don't push me

Yeah yeah yeah yeah yeah

Don't push
Don't push
Don't push

Don't push

Don't push

Don't push

Don't push

Don't push me
