(Gangsta Boo)

Tell me, tell me why you, why you wanna come against

To an end, make a nigga bend, take up out yo shit
Spin yo Benz round and round again circles on you

Ms. Bitch, Gangsta Boo, whatever call it how it come
If you come the wrong way at you baby come a gun

Smokin' bitch why you at my crib you know how it go
I don't fuck with you no more than after parties at a
show

Diamonds on my wood as I take yo hood straight
through a storm

BHZ my hood nigga known for makin' bitches run
Tell yo folk, get yo bitches, I...hate you like I hate the f-
I be getting hi... tryin to level out you bitches I...

Still gonna keep it real, still gonna get a deal

Still got my niggas looking trill with the gold grill

Dirty Dirty south represent it mothafuckin baby

Gangsta Boo da lady represent the hypnotize baby

[Chorus] - repeat 2X

(Gangsta Boo)

Whatchu wanna do with this

Do you wanna see me get buck with the quick-en-ess

Put it down on you clowns fast

Is you wit it bitch, be da past bitch

I'm the only bitch that's doin it, baller hat fit
On my head, is you wit it mane
Cardial frames on my face, can you dig it mane
Let you down mane like a pilot in a crashing plane
I'm da main bitch in da click, bringin plenty pain [what a damn shame]
Brought da flame to da hydro, hit it hit it slow
Wanna 'bow, watch da water flow, blew up in this ho
Tryin to tell you what you wanna know
Now you fuckin knows like a pro, is you wit it though, yeah you wit it
Baby lady in da s-ski getting money
You be looking real bummy, kinda dummy
You think I wont leave you bloody and muddy
Real chick from da southside of da uni-verse

[Chorus] - repeat 2X

(Koopsta Knicca)

For you niggas with that anna, actin if you got some drama
Ask up, my dick right in you bitches baby mommas
See what ??? up da butt or will I kill da other bitch
What kinda skinny tell me can I flex and kick it
Since you think I'm jokin now you tryin to pull you blow
Once you waste the freaky slut the first thing they gon say is 'What?'
Oh how you get da chewin so to me it's just ridiculous
With the tat RIP on her tity, fuck that nigga was he an escape convict
Shit let me hit it got yo peep out for da stab
I fuck her like a boxer what and wet ya wit an upper-cut and then a jab and
I ain't playin why you have some babies by dem hos
Was he walk straight on my porch or did he go straight out the window
Was cold, Oh no, blast that ?tec? and made her holla
I be swingin at a bitch like a nigga tryin to hit at pinada
Screamin 'stop it' take my dick up out her clit
We be chattin in yo face and be laughin like we never did shit

[Chorus] - repeat 'til fade
