(Strike 1)

GOT FAME NOW ENVY

CHORUS

hate me now (ah ha)
but i want stop now (ah ha)
because I can't stop now (ah ha)
so you can hate me now.

VERSE1

don't hate me or the money i seen the contracts that i'd
sign
the ice that drips the gear that i buy. picture this drama
me rollin
winning the lottery balling collecting my counters at
vegas the money be folding girls be drugged on me
i've approached the the standards of the riches i'm
settling in ya. Hitting home runners mvp prize winner
presenting collecting grammy awards best rhyme
starter go down to the education claiming narrotor
giving motavion to the model because i'm there dater.
i'm misery to classic rappers because my energy bar
hard to burn down. commentators come to my tour just
to watch n put my recipient into a different area code.
billboards charts i gotta shock under pressure. i'm in
the heated zone need sercuierty insercure. new entry in
this rap game i'm sponse to support. kickin bak watchin
the widescreen seeing if i'm consider artist of the
week. crushing bill gates stock dreams. murder scenes
or talented youths actors in slammer were trying to
release the peace. getting offer deals to creap off the
scene so peeps can make green getting the cut on
record stores now.
i'm on the headphones best selection favourite rapper
to make the first suspenion track. up in the offices
placks cheques being signed to the industry makin the

real cash. bak to my ambition unstable so listen
tremble while i'm giving you your grade then you
dismissle i've blown the whistle.

CHORUS

You wanna suggust i'm the new memphis
so i've decided what shall I do.
but keep getting threatning letters i was a locial peep
from the streets so chill out no more envy cool. It was
hard on my block we were crumbled too but we grew up
outta high school now you think I got the logic there no
formula you can reknew.
Shatter my dreams i've made it in the game thats
afficial but I try n keep the profile just like me. reporters
are warning me in interviews if you make the top next
shift is enemies. i create on the street the barbarques n
the fbi wanna spy on us saying were criminals so they
wanna give statement to the president about us. Its a
new season should i took off my jacket give it to you
heres the access to my penthouse you can have that
too. flossing on the source girls inside there pin ups
bouncers outside watchin you down creap through with
out v.i.p or you trying to slide through the exit door
keep it on the low down g. putting playas on a shortlist
transferring coasts i'm hanging on a threshold. ko
stunner so the u.s better understand my flow. people
lebalng autopbiography like they the illist jags keep it
the realest notorious under survilence because his
improvemnet the biggest.

VERSE 3

Its decision time against furious fans wanting me to
own the land.
Plus hollar for a barcadi at the bar. double it up extra
scotch breathing test by the feds saving i should go to
a early grave. I was planned destined to come.
predicted granted insurance just in case my breathe
collapses during my lungs what will end up the
collision. A new year began my foundation team got it
on the lockdown were roll through your mall where can
be the thieving ones. I didn't hesitate to claim my
thrown hot prospect of rap block out meeting from my
schedule don't wanna become empire of the chair
board. was an outkast switched sides now a outlaw.
most jiggas can't even stand my firgures plottin
revenge keeping a close view. i snatch up a ticket on
the next plane the next night giving realise dates out in
spain. Instead of me going in a lone soilder i recuit new
troops that make you the main event laying in the

hospital bed casualty blood pouring from your head.
Mother fuckers focus u acting like you don't
understand just proves it the theory of man became a
barbarian system inserted to rule the world cahined up
by stripers do that tounge lick if i ring the bell. i'm
created voice activated keeping the industry stalling
wear the cap back to front always balling.
