Many guys have come to you With a line that wasn't true And you pass them by {Pass them by} Now you're in the center ring And their lines don't mean a thing Why don't you let me try {Let me try}

Now I don't wear a diamond ring I don't even know a song to sing All I know is

La-la-la-la-la-la-la-la means I love you (Baby, baby, baby) La-la-la-la-la-la-la-la means I love you

If there ever was a girl That I needed in this world You are the one for me {One for me} Let me hold you in my arms Girl, and fill me with your charms I'm sure that you will see {You will see}

La-la-la-la-la-la Come on and listen, girl

Didn't I blow your mind this time Didn't I Didn't I blow your mind this time Didn't I (Whoa, baby)

La-la-la-la-la-la-la-la means I love you (Come on, girl, come on with me, baby) La-la-la-la-la-la-la-la means I love you (Think about you night and day) La-la-la-la-la-la-la-la means I love you I love you

l love you l love you
