Memories

Precious memories

Of a love so true

That's all I have left of you

Fantasies

Crazy fantasies

Girl, of you and me

And the time that we shared as one

Whoa, oh, the world was so simple and wonderful
It was a reflection of our special love and it was
beautiful

Oh, oh, but you finally said goodbye

And left me with nothin' but pictures on my mind

Memories

Precious memories

Girl, of happy days

And the love that waits for you

Won't you come back, baby

Fantasies

Crazy fantasies

Of a love that we made

I know it'll never fade away

Oh, oh, the world was so simple and wonderful
It was a reflection of our special love and it was
beautiful

Oh, oh, but you finally said goodbye

And left me with nothin' but pictures on my mind

Oh, memories

Precious memories

Of a love so true

That's all I have left of you, whoa, whoa

Memories

Precious memories

Whoa, those memories

Precious memories

Memories
Precious memories
Whoa, those memories
Precious memories

Memories
Precious memories
Whoa, those memories
Precious memories

Memories
Precious memories
Whoa, those memories
Precious memories

Memories
Precious memories
Whoa, those memories
Precious memories
