Oh we could be on a desert lost without a place to go  
But we're so in love in love with each other that we  
wouldn't even know  
(Oh oh and I) and I don't care (I don't care) any place  
anywhere (anywhere)  
(Just as long) just as long (we are there) we are there  
Baby baby (together) together baby (together)  
Together (baby just) baby just you and me girl wooh  
how happy we'll be

Wooh we could be in poverty and no one to lend a  
(helping hand)  
But it's all right (all right) all right I know because you  
always understand  
(Oh oh I) I don't care (I don't care) any place anywhere  
(anywhere)  
(Just as long) just as long (we can share) as we share  
them  
Baby baby (together) together baby (together)  
Together (baby just) baby just you and me girl wooh  
how happy we'll be

(Oh oh I) and I don't care (I don't care) any place  
anywhere (anywhere)  
(Just as long) just as long (we are there) as we share  
them  
Baby baby (together) together baby (together) together  
baby (together)  
I want (together) to live my whole life with you  
(together)  
'Cause loving you gal was easy (together) wanting you  
gal was easy (together)  
Loving you gal loving you gal oh I want you be my side  
yeah yeah

Girl I want you to sit back and close your eyes  
Think about all those wonderful times that we used to  
have together  
Now I know things are the the way they used to be right  
now  
But they are going to get better someday and I know  
that

And I remember (I remember) aah when we used to  
play  
Shot them up (shot them up bang bang baby)

(Together) together baby (together) together baby  
(Together) wanta live wanta live wanta live my life with  
you (together baby)  
'Cause I want you to be to be my wife you see  
(together)  
Now give you everything everything woo woo wooh  
(Together) together baby (together) together baby  
Just loving you girl one more time  
Loving you gal was easy wanting you gal was easy
