Finally, you and I together
Finally, been waitin' so long
You think it's good, it's 'bout to get better
I'm gonna put you up, where you belong

Girl, ya 'bout to find out, I got all what you need
Ya 'bout to find out, I mean to take you to the deep
Gonna be no doubt, ya 'bout to find out
What loving you means to me
(Ya 'bout to find out)
(Ya 'bout to find out)

Brace yourself, buckle up baby
You're gonna get, the ride of your life
You'll cry for help, you're gonna go crazy
But you'll be thankin' me once you arrive

Better get ready, better hold on
I'm a get busy on you baby
All of my kisses, all of my love
Gonna hook you up tonight

Girl, ya 'bout to find out, I got all what you need
Ya 'bout to find out, I mean to take you to the deep
Gonna be no doubt, ya 'bout to find out

Ya 'bout to find out, I got all what you need
Ya 'bout to find out, I mean to take you to the deep
Gonna be no doubt, ya 'bout to find out
What loving you means to me

(Meant to be) That's you and me baby
I gotta make sure, you know you're my goal
And when they ask, what I've givin you lately
Tell them love, it's down to the soul

If you up for finding what i'm here for baby
Hold on, i'm gonna, take you up to heaven tonight
If you want to, leave it all behind you baby
Hold on, I'm gonna, take you up to heaven tonight

(Ya 'bout to find out)
(Ya 'bout to find out) yeah yeah yeah yeah yeah
(Ya 'bout to find out) you are just about to find out
(Ya 'bout to find out) yeah, yeah

I got all what you need
Girl you 'bout to find out

(Ya 'bout to find out, find out)
(Ya 'bout to find out) you are just about to find out
(Ya 'bout to find out) you are 'bout to find out
(Ya 'bout to find out) what loving you means to me
