Pack your bags, there's a place we gotta go.
Back in the hill country of Ohio.
Not a weekend hotter than the 3rd one in July.
So grab a squirt bottle and never fear,
I've been building this custom cooler all year.
You won't believe it 'til you see it with your own
eyes. From all 50 states we gather 'round,
to pledge our allegiance to that hillbilly sound.
Here we are, all redneck and proud.
With our cowboy hats and bikini tops and the country
music playing loud. We take it easy and party hard.
Do our cooking on the grill.
Looks to me like we got ourselves another, jamboree in
the hills.
It all got started back in '77.
Those people must of thought they'd died and went to
heaven when Haggard, Whynette,
and Johnny Cash all took the stage.
Now you won't find a bigger country music show.
All the rain over the years just made it grow.
Now the party goes on for four long days.
They say the ones down front have the must fun.
But if you wanna find out you better wake up early for
the Redneck Run.
Here we are, all down home and proud.
With our cowboy hats and bikini tops and the country
music playing loud. We take it easy and party hard.
Do our cooking on the grill.
Looks to me like we got ourselves another, jamboree in
the hills.
Come Sunday we'll be sad to see it end.
But you can bet we'll be back next year and do it all
over again.
Here we are, all redneck and proud.
With our cowboy hats and bikini tops and the country
music playing loud. We take it easy and party hard.
Do our cooking on the grill.
Looks to me like we got ourselves another.
Are you with me all my sisters and brother?
It's the jamboree in the hills.
It's the jamboree in the hills.

It's the jamboree in the hills. It's the jamboree in the hills.
