[Lil' Flip]

I'm lil flip

Takin trips to Cancun

Drop the tape

My cartoon comin soon

Blowin up like a hot air balloon

Livin in a penthouse wit 25 rooms

Houston, Texas~Benz N Lexus

Find me on the freeway drivin reckless

Wear sunglasses when you look at my necklace

Worldwide respected

Top 10 selected

[Chorus: Deep Threat]

Horses wit my boxers on

Horses wit my boxers on

Horses wit my boxers on

You got yo t-shirt and yo panties

I got Trojans wit my boxers on

{DeEp ThReAt}

Picture this:

Girl me & you

In my water bed

In the shower too

The water's fine

Say wuts on your mind

Don't say nothin wrong

We should all be fine

Im gone break you off

Like a playa should

Like side to side

Baby its all good

Im not lookin 4

Girl no love affair

If you ride with me

you know ill take you there

[Chorus]

{DeEp ThReAt}

Sittin here  
And you're layin there  
Layin there  
And you're willin to share  
Ya freaky thoughts  
Baby wit me too  
You got ya T~shirt on  
And ya panties too  
The warm caress  
Of ya body next to mine  
It's rated X

If ya want me to  
Open ya door  
And let me prove it to you

[Chorus]
