Lil Hustle:
Yo I'm in the club tryin to find a bitch that wanna cut
Yeah and who is down never wanna be one
Uh huh love to suck this dick and wanna rock this shit
Don't ever fuck with no stick that's it
And this fine bitch over there in the corner
She tryin hustle me and tryin fuck with me
Nah bitch you gotta be down with me
Don't hold it down for me
You can't do everything
Bitch

Tiffanie:
Nigga I wanna be your baby
Let me rock with you
Let me tell you what's up
Usually I wouldn't suck no dick
But with you it's different
I'll be the bitch that you need
I'll give you everything
So let's rock all night long
Baby boy I'll be your hustlin bitch

Donny:
It's game time better call yo niggas homey
Get Lil Hustla and that bitch Tiffanie over here now
In the club all the hatas show me love
This is where we start
I'm in this game and now it won't be the same
And this is no new change just let me be who I be
Bitch

And if you ever try rock out of this shit
And not suck my dick then you just that stupid hustlin
bitch

Tiffanie:

Papi I'm sorry if you want it too
I'll don't know if I can squeeze you in too
You want this pussy well I'll keep it fresh just for you
Just for you Donny

Yo-Yo:

It's Yo-Yo on the block
Trying to get me some
And Tiffanie Nicole I heard yo pussy's that one
And if you give some to Donny
You gotta give some to me

Chain:

But uh let's rock dis bitch and get crunk off dis bacardi
