Flirtatious Irresistible with a bubbly affection,  
Were moving in the I-love direction,  
Mysterious in treating,  
that's what you've been told  
This one girl on your mind  
that you wanted just to hold

I'm giving you a warning  
telling you don't  
You know that's a lie  
so you say that you  
won't fall in love with me  
I'm giving you a warning telling you to stop  
I'm in your mind while you like it or not  
Don't fall in love with me

Whatever you do don't dream about me  
What ever you do don't you fall in love with me  
What ever you do don't dream about me  
What ever you do don't you fall in love with me

I'll keep it in my mind  
I'll keep it in my dreams  
I told you this would happen  
why you didn't listen to me  
Ooh baby you're falling in love you see

I'm telling you to back attention built  
My heart is yours if my lips are sealed  
Don't fall in love with me

Argumentations just brings us closer  
Now you feel a connection come over us  
And you can't let go  
Even though I told you no...

Whatever you do don't dream about me  
Whatever you do don't you fall in love with me  
Whatever you do don't dream about me  
Whatever you do don't you fall in love with me

I'll keep it in my mind  
I'll keep it in my dreams  
I told you this would happen  
why you didn't listen to me  
Ooh baby  
you're falling in love you see

Flirtatious Irresistible with a bubbly affection,  
were moving in the I-love direction,  
Mysterious in treating,  
that's what you've been told  
This one girl on your mind  
that you wanted just to hold

to see me, want me, hear me,  
thieve me, you don't have to chat  
and you know you want to be with me  
Love me hold me don't you let go of me  
look me in the eyes and promise me...

Whatever you do don't dream about me  
Whatever you do don't you fall in love with me  
Whatever you do don't dream about me  
Whatever you do don't you fall in love with me

I'll keep it in my mind  
I'll keep it in my dreams  
I told you this would happen  
why didn't you listen to me

Ooh baby  
you're falling in love you see  
Ooh baby  
you're falling in love with me...
