I said a shoo be do be do be  
I mean a ru be do be do be  
I mean a do be do be do be  
Thats how you make me feel  
I said a shoo be do be do be  
I mean a ru be do be do be  
I said I do be do be do be, love you

Three little words that you say to me  
Three things you do are incredibly  
Amazing, in every single way, yeah  
Three little words you whisper in my ear  
Three things you say when I'm fear  
Don't worry, Don't run, Cause I am here

And you take my hand, and we run away  
And wedance in the moonlight, and kiss in the rain  
And you make me smile, all the time  
And the little things you do,  
Make me glad that you are mine

Three little things like openin the door  
Sweet little things that no ones done before  
These little things, make me love you more  
Three little things and three little moves  
You flirt up a storm, but you play it off smooth  
You are the one guy, I'd never want to lose

And you take my hand, and we run away  
And wedance in the moonlight, and kiss in the rain  
And you make me smile, all the time  
And the little things you do,  
Make me glad that you are mine

I said a shoo be do be do be  
I mean a ru be do be do be  
I mean a do be do be do be  
Thats how you make me feel  
I said a shoo be do be do be  
I mean a ru be do be do be  
I said I do be do be do be, do love you

I said a shoo be do be do be  
I mean a ru be ru be ru be do  
I mean a do be do be do be do, love you  
I said a shoo be do be do be  
I mean a ru be ru be ru be do  
I said I do be do be do be,  
I do be love you
