Oooh oooh oooh yeah

Because I need you there  
I will swear on the bible  
(I will swear) On the bible  
I will swear on the bible

From the day I saw you  
I just had to be with you  
Only you, and only with you  
From the moment you said yes  
It was you and nothing less  
Kiss after kiss after kiss after kiss after kiss  
Oooh oooh oooh yeah

-Chorus-

On the bible I will swear  
Swear to love you  
And I will hope, cherish and obey  
Because I need you there  
I will swear on the bible  
(I will swear) On the bible (I need you there)  
I will swear on the bible

From the moment I saw you  
I just knew that it was you  
Only you, it had to be you  
From the moment you said yes  
It was you and nothing less  
Kiss after kiss after kiss after kiss after kiss  
Oooh oooh oooh yeah

-Chorus x2-

On the bible I will swear  
Swear to love you  
And I will hope, cherish and obey  
Because I need you there  
I will swear on the bible  
(I will swear) On the bible (I need you there)  
I will swear on the bible

(Spoken)

Male: I can make this promise

If I was really honest

I'd rather live for today

Come on girl, lets runaway

Female: If you read my mind,

I am your temptation

It's soft and sweet for you to be temptation

Throw caution to the wind

Lets dance, lets sing

-Chorus-
