[Daddy-O]

One nine nine to three  
and I wonder what kind of day Allah, has in store for  
me  
So I stroll out the crib about eight  
to go eat breakfast at Mike's, everything's alright  
Leave out of Mike's about nine  
Headed Uptown to the studio - everything's fine  
Reached the studio about ten  
Bumped into a good friend - that's what I thought then  
But to my surprise, he was the opposite  
When he played - tough, I had to call his bluff

"It's cool.. to occupy your own  
Come for mine, I'm gonna crash your dome" (4X)

Shoppin downtown on the street  
Lookin for a pair of new sneaks then I went to get a bite  
to eat  
I saw a guy and his lady  
She didn't look my way, but he was lookin at me kind of  
shady  
So I asked him whassup (Yo whattup?)  
But before "up" came out, he was pushin away his plate  
and cup  
Screamin somethin bout watchin where I look  
Kinda caught me off guard, so at first I was a little  
shook  
But when I gained my composure  
I suggested he sit back down where he was cause  
brother I don't know ya  
But he wouldn't take heed  
So in front of his girl, and the rest of the place, I bust  
his face

"It's cool.. to occupy your own  
Come for mine, I'm gonna crash your dome" (4X)

[Daddy-O]

There was a time and a day; that if I was tested and

tried  
I turned my cheek and looked the other way  
But nowadays I don't sleep; cause if I try to turn away  
them brothers think that I'm bein weak  
So I'm even in the odds; and whoever steps to me  
better be makin sure he pray to God  
Less he wanna be my prey; but you don't wanna go that  
route  
Hahahaha.. I'm out!

"It's cool.. to occupy your own  
Come for mine, I'm gonna crash your dome" (4X)  
..  
"Come for mine, I'm gonna crash your dome"  
(\*cut and scratched until fade at the end\*)
